Pastilhas de Freio

Conheça a qualidade original da Authomix

Há mais de 19 anos, a Authomix marca presença no mercado automotivo, com mais de 6.000 itens em portfólio e uma linha completa de produtos para as principais frotas de veículos no país, atendendo aos segmentos leve, pesado e motos.

A Authomix segue consolidando seu trabalho sobre três pilares fundamentais: transparência, alto padrão na fabricação e referência em custo-benefício.

Oferecer qualidade original em cada produto e estar presente em todo o território nacional são as nossas principais características.

Um **mix de soluções para o seu negócio!**

As **Pastilhas de Freio** são itens de suma importância para a segurança do condutor, uma vez que possuem como função gerar atrito para desacelerar e parar o veículo. Para isso, elas trabalham em conjunto com os discos de freio.

As **Pastilhas de Freio Authomix** para a linha automotiva oferecem **melhor desempenho** e **maior segurança**, proporcionando frenagens silenciosas, evitando ruído e reduzindo os danos ao disco de freio.

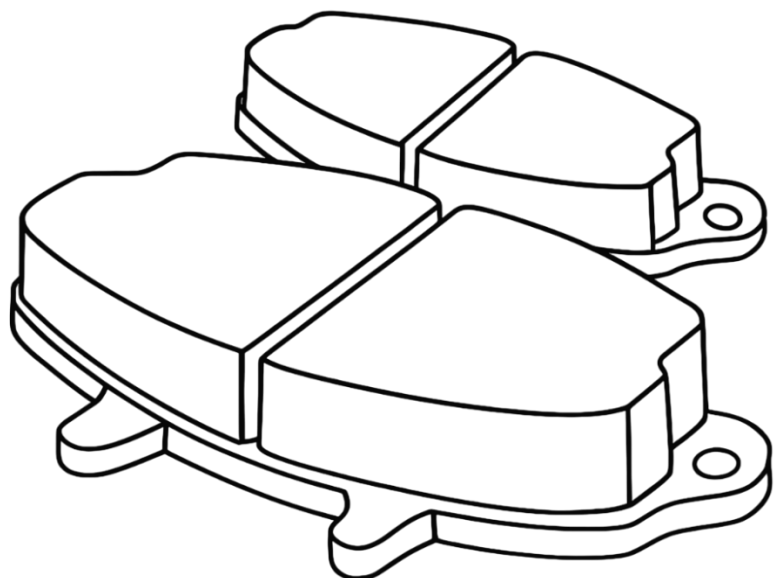

Fabricadas com compostos premium, garantem **durabilidade e qualidade original**.

- Maior durabilidade
- Menos ruído e vibração
- Suporta temperaturas de até 300 °C
- Garantia de Qualidade: Certificada pelo INMETRO
